Guest Feedback System Now Online

We hope you're enjoying your cruise. In the past, we would ask guests to fill out a comment card, but we've replaced this traditional method with an online survey.

This new process makes gathering guest feedback and improving future Norwegian cruises faster and more efficient. After the cruise, randomly selected guests who provided their email address during the check-in process before their cruise will receive an email with a link to the survey. We truly value your opinions and hope you will complete this survey. If you don't receive an email survey and would like to provide feedback, please send your comments to Norwegian Cruise Line Customer Relations at 7665 Corporate Center Drive, Miami, FL 33126. Thanks again for sailing with us.
