

SLOT PULL INSTRUCTIONS

- **The Organizer contacts the Casino Manager on the first day onboard the ship to have a pre-determined one-dollar slot machine available for the Slot Pull.**
- **The Organizer collects \$15.00 USD from each Participant (\$1.00 multiplied by maximum triple bet equals \$5.00 multiplied by 3 pulls equals \$15.00)**
- **The Organizer provides the Date and Time for the Slot Pull at the Cruise Critic Meet & Greet.**
- **The Organizer goes to the Casino 15 minutes early on the pre-determined date to make sure no one else is using the pre-determined one dollar slot machine.**
- **The Participants will go to the Casino on the pre-determined date and time.**
- **The Organizer calls each Participant's name to come to the slot machine.**
- **The Participant will make 3 pulls (or pushes the button 3 times) at a maximum triple bet, and hopes music and bells sound for a big win.**
- **When all the pulls are finished, if there are any winnings, they will be divided between all Participants.**
- **If we receive any gifts from the Casino Manager (such as a couple bottles of sparkling wine, etc.), there will be a first prize winner and maybe a second prize winner.**
- **If we do NOT receive any gifts from the Casino Manager, there will NOT be any first or second prize winners.**
